

Often we think of faith formation in terms of our children, who are in Religious Education and Sacramental preparation programs that help them come to know God and have encounters with Jesus Christ. Growing in knowledge and love of God extends, though, beyond our youth - becoming disciples of Christ is a lifelong calling. As adults, we are invited into a deeper relationship with God, and in that we need ways of being encouraged and enriched in our own journey of faith.

With that in mind, the parish pastoral staff would like to offer more opportunities for adult formation/ education. As part of pastoral planning, we encourage you to participate in the following survey that will give us insight into the areas of interest. Please complete the information on this form. With your participation, we will be able to better determine the level of interest and type of formation opportunities to offer.

Please take a moment to complete the enclosed survey and return it to the Parish Office or the weekly collection basket. Thank you!
